The banner introduces the project and Pocket Park Plus objective inviting the community space to 'relax, exercise, socialise, enjoy the space: it will face the several communities who use and have most need of these. It will be used to ask the community to choose a name for the pocket park or endorse the name 'Mayes Corner' as well as invite interest in becoming involved in its long term success.

NB: the PMRA community has already chosen names for a number of areas including the Lavender Garden, Arnold Bennett Way and Martins Walk
